الدارة المنافقة المن			An introduction to morphology (Shagna	- ' '	درس		
1-IIntroductionTo discuss the following issues: - The Emergence of Morphology- Morphology in American Structural Linguistics- The concepts of Chomskyan Generative Grammar 2-2Introduction to Word-StructureTo discuss the following issues: - What is a word?- Morphology: The Smallest Units of meaning- The nature of Morphemes 3-3-3Types of Morphemes To discuss the following issues: - Roots, Affixes, Stems and Bases- Inflectional and Derivational Morphemes- Multiple Affixation- Compounding- Conversion- Morphological Haplology- Morphological Typology- WP and the Central Central Productivity Does Productivity Separate Inflection from Derivation?- The Nature of the Lexicon Productivity- Does Productivity Separate Inflection from Derivation?- The Nature of the Lexicon Productivity- Does Productivity Separate Inflection from Derivation?- The Nature of the Lexicon Productivity- Does Productivity Separate Inflection from Derivation?- The Nature of the Lexicon Productivity- Does Productivity Separate Inflection from Derivation?- The Nature of the Lexicon Productivity- Does Productivity Separate Inflection from Derivation?- The Nature of the Lexicon Productivity Advisors the following issues: - The claims Made by Lexical Phonology Model - Lexical Strata- Lexical Rules- Differences between Lexical and Post-Lexical Rules- Criticisms of Lexical Phonology Productivity Analysis of Lexical Phonology Productivity Separate Inflection Morphology On Derivation Productivity Separate Inflectional Categories of Nouns Productivity Separate Inflection of the Lexicon, Morphology and Syntax (1)To discuss the following issues: - The Character of Productivity Separate Inflection of the	۴/۰۰						
1-IIntroductionTo discuss the following issues: - The Emergence of Morphology- Morphology in American Structural Linguistics- The concepts of Chomskyan Generative Grammar 2-2Introduction to Word-StructureTo discuss the following issues: - What is a word?- Morphology. The Smallest Units of meaning- The nature of Morphemes 3-3Types of Morphemes To discuss the following issues: - Roots, Affixes, Stems and Bases- Inflectional and Derivational Morphemes- Multiple Affixation- Compounding- Conversion- Morphological Haplology- Morphological Typology- WP and the Central Typology- WP and Typology- WP and Typology- WP and Morphology- Other Dypology (Shaghaghi, 2013) A Shadierm ExamAn Introduction to Morphology (Shaghaghi, 2013) A Shadierm ExamAn Introduction to Morphology (Shaghaghi, 2013) A Shadierm ExamAn Introduction to Morphology Shaghaghi, 2013) A Shadierm ExamAn Introduction to Morphology Shaghaghi, 2013 A Shadierm ExamAn Introduction to Morphology Shaghaghi, 2013 A Shadierm ExamAn Introduction to Morphology Shaghaghi, 2013 A Shadierm ExamAn Introduction to Morphology- Root and Pattern Morphology Root and Pattern Morphology Root and Pattern Morphology Root and Pa		14.4-14.	لب و زمانبدي ارائه درس_نيمسال اول سال تحصيلي ۴	سر فصل مطا			
Linguistics- The concepts of Chomskyan Generative Grammar 2-2-Introduction to Word-StructureTo discuss the following issues: - What is a word?- Morphology: The Smallest Units of meaning- The nature of Morphemes 3-3Types of Morphemes To discuss the following issues: - Roots, Affixes, Stems and Bases- Inflectional and Derivational Morphemes- Multiple Affixation- Compounding- Conversion- Morphological Haplology- Morphological Typology- WP and the Central Typology- WP and Morphology Model - Lexical Morphology To discuss the following issues: - The Lexical Phonology Model - Lexical Strata- Lexical Rules- Differences between Lexical and Post-Lexical Rules- 6-6Insights from Lexical Morphology To discuss the following issues: - The claims Made by Lexical Phonology- Criticisms of Lexical Phonology- Raman Introduction to Morphology (Shaghaghi, 2013) A 9-8Templatic Morphology To discuss the following issues: - Phonological Prelude: Autosegmental Phonology- Rod Pattern Morphology To discuss the following issues: - What is Reduplication- Is Reduplication Constituent Copying?- CV Templates and Reduplication- Prosodic Morphology- Other Prosodic Phenomena 11-10Optimality Theory and Morphology To discuss the following issues: - The Basics- Morphology in Optimality Theory- Stratal Optimality Theory 12-11Inflection Morphology of discuss the following issues: - Inflectional Categories of Nouns 14-12Morphological Mapping of Grammatical Functions (1)To discuss the following issues: - Predicates, Agreements and Lexical Entries- Treat-Roles and Lexical Entries- Grammatical Function- Changing Rules- The Mirror Principle- Incorporation 14-12Morphological Mapping of Grammatical Functions (2)To d			عنوان هفته		شماره هفته		
2-2. Introduction to Word-Structure To discuss the following issues: - What is a word? - Morphology: The Smallest Units of meaning- The nature of Morphemes 3-3 Types of Morphemes To discuss the following issues: - Roots, Affixes, Stems and Bases - Inflectional and Derivational Morphological Affixation - Compounding - Conversion - Morphological Haplology - Worphological Typology - WP and the Central Phonology - WP and the Central Typology - WP and Morphology To discuss the following issues: - The Lexical Phonology and Morphology - WP and Morphology -	1-1IntroductionTo di	scuss the following iss					
3-3Types of Morphemes To discuss the following issues: - Roots, Affixes, Stems and Bases- Inflectional and Derivational Morphemes- Multiple Affixation- Compounding- Conversion- Morphological Haplology- Morphological Typology- WP and the Central Typology- Model - Lexical Morphology Model - Lexical Morphology- Model - Lexical Morphology- Model - Lexical Strata- Lexical Rules- Differences between Lexical and Post-Lexical Rules - G-6Insights from Lexical Morphology- Griticisms of Lexical Phonology- WP and Morphology- An Appraisal To discuss the following issues: - The claims Made by Lexical Phonology- WP and Morphology- An Appraisal To discuss the following issues: - Phonological Prelude: Autosegmental Phonology- Root and Pattern Morphology- Root and Pattern Morphology- Root and Pattern Morphology- Odiscuss the following issues: - What is Reduplication? Is Reduplication Constituent Copying?- CV Templates and Reduplication- Prosodic Morphology- Other Prosodic Phenomena 11-10Optimality Theory and Morphology To discuss the following issues: - The Basics- Morphology in Optimality Theory- Stratal Optimality Theory 12-11Inflection Morphology of discuss the following issues: - Inflectional Categories of Nouns 13-12Morphological Mapping of Grammatical Functions (1)To discuss the following issues: - Grammatical Function Changing Rules- The Mirror Principle- Incorporation 14-12Morphological Mapping of Grammatical Functions (2)T	2-2Introduction to Wo	ord-StructureTo discus		s the following issues: - What is a word?- Morphology: The Smallest Units			
Derivational Morphemes- Multiple Affixation- Compounding- Conversion- Morphological Typology- Morphological Typology- WP and the Central Typology- WP and Morphology- Morphology- Morphology- Morphology- Morphology- Morphology- WP And Morphology- WP And Morphology To discuss the following issues: - What is Reduplication Prosodic Phenomena Theory- Stratal Optimality Theory- Stratal Optima			of mean	ing- The nature of Morphemes	1		
4-4Productivity in Word-FormationTo discuss the following issues: - The Open-Endedness of Lexicon- Constraints on Productivity- Does Productivity Separate Inflection from Derivation?- The Nature of the Lexicon 5-5Introducing Lexical MorphologyTo discuss the following issues: - The Lexical Phonology and Morphology Model - Lexical Strata- Lexical Rules- Differences between Lexical and Post-Lexical Rules 6-6Insights from Lexical MorphologyTo discuss the following issue: - Insights 7-7-Lexical Morphology: An Appraisal To discuss the following issues: - The claims Made by Lexical Phonology Criticisms of Lexical Phonology Criticisms of Lexical Phonology 8-8 Midtern ExamAn Introduction to Morphology (Shaghaghi, 2013) 9-8 Templatic MorphologyTo discuss the following issues: - Phonological Prelude: Autosegmental Phonology-Root and Pattern Morphology 10-9 Templatic and Prosodic morphology To discuss the following issues: - What is Reduplication?- Is Reduplication Constituent Copying?- CV Templates and Reduplication- Prosodic Morphology- Other Prosodic Phenomena 11-10 Optimality Theory and MorphologyTo discuss the following issues: - The Basics- Morphology in Optimality Theory- Stratal Optimality Theory 12-11 Inflection MorphologyTo discuss the following issues: - Inflection and Derivation - Verbal Inflectional Categories- Inflectional Categories of Nouns 13-12 Morphological Mapping of Grammatical Functions (1) To discuss the following issues: - Predicates, Agreements and Lexical Entries- Theta-Roles and Lexical Entries- Grammatical Relations 14-12 Morphological Mapping of Grammatical Functions (2) To discuss the following issues: - Grammatical Function- Changing Rules- The Mirror Principle- Incorporation 15-13 The Interpretation of the Lexicon, Morphology and Syntax (1) To discuss the following issues: - The Interface 'Between modules- Phonological Factors in Compounding- Are Compounds Different from Syntactic Phrase 16-13 The Interpretation of the Lexicon, Morphology and Syntax (2) To discuss the following issues: - The	* *	-	<u> </u>		Ψ.		
Productivity- Does Productivity Separate Inflection from Derivation?- The Nature of the Lexicon 5-5Introducing Lexical MorphologyTo discuss the following issues: - The Lexical Phonology and Morphology Model - Lexical Strata- Lexical Rules- Differences between Lexical and Post-Lexical Rules 6-6Insights from Lexical MorphologyTo discuss the following issue: - Insights 7-7Lexical Morphology: An Appraisal To discuss the following issues: - The claims Made by Lexical Phonology- Criticisms of Lexical Phonology 8 Midterm ExamAn Introduction to Morphology (Shaghaghi, 2013) 9-8Templatic MorphologyTo discuss the following issues: - Phonological Prelude: Autosegmental Phonology- Root and Pattern Morphology 10-9Templatic and Prosodic morphology To discuss the following issues: - What is Reduplication?- Is Reduplication Constituent Copying?- CV Templates and Reduplication- Prosodic Morphology- Other Prosodic Phenomena 11-10Optimality Theory and MorphologyTo discuss the following issues: - The Basics- Morphology in Optimality Theory- Stratal Optimality Theory 12-11Inflection MorphologyTo discuss the following issues: - Inflection and Derivation - Verbal Inflectional Categories- Inflectional Categories of Nouns 13-12Morphological Mapping of Grammatical Functions (1)To discuss the following issues: - Predicates, Agreements and Lexical Entries- Theta-Roles and Lexical Entries- Grammatical Relations 14-12Morphological Mapping of Grammatical Functions (2)To discuss the following issues: - Grammatical Function- Changing Rules- The Mirror Principle- Incorporation 15-13The Interpretation of the Lexicon, Morphology and Syntax (1)To discuss the following issues: - The Interface ?Between modules- Phonological Factors in Compounding- Are Compounds Different from Syntactic Phrase 16-13The Interpretation of the Lexicon, Morphology and Syntax (2)To discuss the following issues: - The Character of	Derivational Worphe	mes- wumple Amzan			,		
5-5Introducing Lexical MorphologyTo discuss the following issues: - The Lexical Phonology and Morphology Model - Lexical Strata- Lexical Rules- Differences between Lexical and Post-Lexical Rules 6-6Insights from Lexical MorphologyTo discuss the following issues: - Insights 7-7Lexical Morphology: An Appraisal To discuss the following issues: - The claims Made by Lexical Phonology-Criticisms of Lexical Phonology-Criticisms of Lexical Phonology-Criticisms of Lexical Phonology-Criticisms of Lexical Phonology-Root and Pattern Morphology To discuss the following issues: - Phonological Prelude: Autosegmental Phonology-Root and Pattern Morphology 10-9Templatic and Prosodic morphology To discuss the following issues: - What is Reduplication?- Is Reduplication Constituent Copying?- CV Templates and Reduplication-Prosodic Morphology-Other Prosodic Phenomena 11-10Optimality Theory and MorphologyTo discuss the following issues: - The Basics-Morphology in Optimality Theory-Stratal Optimality Theory 12-11Inflection MorphologyTo discuss the following issues: - Inflection and Derivation - Verbal Inflectional Categories-Inflectional Categories of Nouns 13-12Morphological Mapping of Grammatical Functions (1)To discuss the following issues: - Predicates, Agreements and Lexical Entries- Theta-Roles and Lexical Entries- Grammatical Relations 14-12Morphological Mapping of Grammatical Functions (2)To discuss the following issues: - Grammatical Function-Changing Rules- The Mirror Principle- Incorporation 15-13The Interpretation of the Lexicon, Morphology and Syntax (1)To discuss the following issues: - The Interface 'Between modules- Phonological Factors in Compounding- Are Compounds Different from Syntactic Phrase 16-13The Interpretation of the Lexicon, Morphology and Syntax (2)To discuss the following issues: - The Character of 'Total Categories of the Character of 'Total Categories of Chara	•		-		Γ		
- Lexical Strata- Lexical Rules - Differences between Lexical and Post-Lexical Rules 6-6Insights from Lexical MorphologyTo discuss the following issue: - Insights 7-7Lexical Morphology: An Appraisal To discuss the following issues: - The claims Made by Lexical Phonology-Criticisms of Lexical Phonology Criticisms of Lexical Phonology 8 Midterm ExamAn Introduction to Morphology (Shaghaghi, 2013) 9-8Templatic MorphologyTo discuss the following issues: - Phonological Prelude: Autosegmental Phonology-Root and Pattern Morphology 10-9Templatic and Prosodic morphology To discuss the following issues: - What is Reduplication?- Is Reduplication Constituent Copying?- CV Templates and Reduplication-Prosodic Morphology-Other Prosodic Phenomena 11-10Optimality Theory and MorphologyTo discuss the following issues: - The Basics- Morphology in Optimality Theory-Stratal Optimality Theory-Stratal Optimality Theory-Stratal Optimality Theory-Stratal Optimality Theory-Inflectional Categories-Inflectional Categories of Nouns 13-12Morphological Mapping of Grammatical Functions (1)To discuss the following issues: - Predicates, Agreements and Lexical Entries- Theta-Roles and Lexical Entries- Grammatical Function-Changing Rules- The Mirror Principle- Incorporation 15-13The Interpretation of the Lexicon, Morphology and Syntax (1)To discuss the following issues: - The Interface 'Between modules- Phonological Factors in Compounding- Are Compounds Different from Syntactic Phrase 16-13The Interpretation of the Lexicon, Morphology and Syntax (2)To discuss the following issues: - The Character of 'Total Categories of the Categories of the Lexicon, Morphology and Syntax (2)To discuss the following issues: - The Character of 'Total Categories of the Categ			• •		+		
7-7Lexical Morphology: An Appraisal To discuss the following issues: - The claims Made by Lexical Phonology-Criticisms of Lexical Phonology-Criticisms of Lexical Phonology-Criticisms of Lexical Phonology-Criticisms of Lexical Phonology-Root and Pattern Morphology To discuss the following issues: - Phonological Prelude: Autosegmental Phonology-Root and Pattern Morphology To discuss the following issues: - What is Reduplication?- Is Reduplication Constituent Copying?- CV Templates and Reduplication-Prosodic Morphology-Other Prosodic Phenomena 11-10Optimality Theory and MorphologyTo discuss the following issues: - The Basics-Morphology in Optimality Theory-Stratal Optimality Theory-Stratal Optimality Theory-Italian Categories-Inflectional Categories of Nouns Categories-Inflectional Categories of Nouns 13-12Morphological Mapping of Grammatical Functions (1)To discuss the following issues: - Predicates, Agreements and Lexical Entries-Theta-Roles and Lexical Entries-Grammatical Function-Changing Rules-The Mirror Principle-Incorporation 15-13The Interpretation of the Lexicon, Morphology and Syntax (1)To discuss the following issues: - The Interface 'Between modules-Phonological Factors in Compounding- Are Compounds Different from Syntactic Phrase 16-13The Interpretation of the Lexicon, Morphology and Syntax (2)To discuss the following issues: - The Character of 17	5-51ntroducing Lexic		_	۵			
2-8Templatic MorphologyTo discuss the following issues: - Phonological Prelude: Autosegmental Phonology-Root and Pattern Morphology 10-9Templatic and Prosodic morphology To discuss the following issues: - What is Reduplication?- Is Reduplication Constituent Copying?- CV Templates and Reduplication- Prosodic Morphology- Other Prosodic Phenomena 11-10Optimality Theory and MorphologyTo discuss the following issues: - The Basics- Morphology in Optimality Theory- Stratal Optimality Theory 12-11Inflection MorphologyTo discuss the following issues: - Inflection and Derivation - Verbal Inflectional Categories of Nouns 13-12Morphological Mapping of Grammatical Functions (1)To discuss the following issues: - Predicates, Agreements and Lexical Entries- Theta-Roles and Lexical Entries- Grammatical Relations 14-12Morphological Mapping of Grammatical Functions (2)To discuss the following issues: - Grammatical Function-Changing Rules- The Mirror Principle- Incorporation 15-13The Interpretation of the Lexicon, Morphology and Syntax (1)To discuss the following issues: - The Interface PBetween modules- Phonological Factors in Compounding- Are Compounds Different from Syntactic Phrase 16-13The Interpretation of the Lexicon, Morphology and Syntax (2)To discuss the following issues: - The Character of		6-6]	nsights from Lexical MorphologyTo discuss	۶			
9-8Templatic MorphologyTo discuss the following issues: - Phonological Prelude: Autosegmental Phonology- Root and Pattern Morphology 10-9Templatic and Prosodic morphology To discuss the following issues: - What is Reduplication?- Is Reduplication Constituent Copying?- CV Templates and Reduplication- Prosodic Morphology- Other Prosodic Phenomena 11-10Optimality Theory and MorphologyTo discuss the following issues: - The Basics- Morphology in Optimality Theory- Stratal Optimali	7-7Lexical Morp				٧		
and Pattern Morphology 10-9Templatic and Prosodic morphology To discuss the following issues: - What is Reduplication?- Is Reduplication Constituent Copying?- CV Templates and Reduplication- Prosodic Morphology- Other Prosodic Phenomena 11-10Optimality Theory and MorphologyTo discuss the following issues: - The Basics- Morphology in Optimality Theory- Stratal Optimality Theory 12-11Inflection MorphologyTo discuss the following issues: - Inflection and Derivation - Verbal Inflectional Categories- Inflectional Categories of Nouns 13-12Morphological Mapping of Grammatical Functions (1)To discuss the following issues: - Predicates, Agreements and Lexical Entries- Theta-Roles and Lexical Entries- Grammatical Relations 14-12Morphological Mapping of Grammatical Functions (2)To discuss the following issues: - Grammatical Function- Changing Rules- The Mirror Principle- Incorporation 15-13The Interpretation of the Lexicon, Morphology and Syntax (1)To discuss the following issues: - The Interface PBetween modules- Phonological Factors in Compounding- Are Compounds Different from Syntactic Phrase 16-13The Interpretation of the Lexicon, Morphology and Syntax (2)To discuss the following issues: - The Character of		8Midterm ExamAn Introduction to Morphology (Shaghaghi, 2013)			٨		
Constituent Copying?- CV Templates and Reduplication- Prosodic Morphology- Other Prosodic Phenomena 11-10Optimality Theory and MorphologyTo discuss the following issues: - The Basics- Morphology in Optimality Theory- Stratal Optimality Theory 12-11Inflection MorphologyTo discuss the following issues: - Inflection and Derivation - Verbal Inflectional Categories- Inflectional Categories of Nouns 13-12Morphological Mapping of Grammatical Functions (1)To discuss the following issues: - Predicates, Agreements and Lexical Entries- Theta-Roles and Lexical Entries- Grammatical Relations 14-12Morphological Mapping of Grammatical Functions (2)To discuss the following issues: - Grammatical Function-Changing Rules- The Mirror Principle- Incorporation 15-13The Interpretation of the Lexicon, Morphology and Syntax (1)To discuss the following issues: - The Interface Phenomena 16-13The Interpretation of the Lexicon, Morphology and Syntax (2)To discuss the following issues: - The Character of	9-8Templatic Mor				٩		
11-10Optimality Theory and MorphologyTo discuss the following issues: - The Basics- Morphology in Optimality Theory- Stratal Optimality Theory 12-11Inflection MorphologyTo discuss the following issues: - Inflection and Derivation - Verbal Inflectional Categories- Inflectional Categories of Nouns 13-12Morphological Mapping of Grammatical Functions (1)To discuss the following issues: - Predicates, Agreements and Lexical Entries- Theta-Roles and Lexical Entries- Grammatical Relations 14-12Morphological Mapping of Grammatical Functions (2)To discuss the following issues: - Grammatical Function- Changing Rules- The Mirror Principle- Incorporation 15-13The Interpretation of the Lexicon, Morphology and Syntax (1)To discuss the following issues: - The Interface Petween modules- Phonological Factors in Compounding- Are Compounds Different from Syntactic Phrase	•	10-9Templatic and Prosodic morphology To discuss the following issues: - What is Reduplication?- Is Reduplication			١.
